Congratulations on your college graduation. You made four years of your life exceptionally memorable. We have enjoyed watching you excel in academics, soccer and track, becoming an "Academic all-American" and setting school records. Your musical talents helped in carrying the a Cappella group, the B'Naturals, to new heights. Your time as a RA afforded you the opportunity to display your organizational and leadership abilities. You have always been a high achiever. Your faith in God and hard work has produced excellence.

Keep believing in yourself, and never stop chasing your dreams. Always, Mommy, Daddy, Spencer, Nana & Eddie

Julia Senkevich

Julia,
We can't believe how fast your Ursinus journey flew by. Was exciting to share your experiences. We enjoyed cheering you and your teammates at your soccer matches. The golf matches and the adventures to Pinehurst, NC. You thrived with the Mathematics department. One highlight was when Cara and you presented your research at the National Mathematics convention in San Antonio, with Dr. Yahdi, and were given an Outstanding Undergraduate Presentation award. Good luck pursuing an Engineering degree through the Combined Plan at Columbia University.

Love Mom, Dad, Jennifer, Stephanie and Jacob

Congratulations Andrew Simoncini

We so cherish your shining spirit which has been brightening even simple moments since we welcomed you to this world. We look forward to watching you create what we know will be an inspired and rewarding life. We've celebrated many victories over the years and now you've given us another great achievement to share with you. Congratulations on graduating from Ursinus College.

With much love - Mom, Dad, Matt & Reid

You did it and we are so very proud of you!!!

You have proven that you have become a strong, young woman. All your hard work and the many late hours of studying to reach this point have paid off.

Now it is time to go after your dreams so that they can come true. Always look around and see what opportunities are on the horizon. Ask, otherwise, the answer will always be no. Step forward or else you will always stay in place. Remember that you are braver than you believe, stronger than you seem, smarter than you think and loved more than you know. Turn all your lemons into lemonade and never give up.

You are ready so greet the future with excited anticipation and passion. Wonderful things are in store for you if you believe, work hard, learn and endure. Shoot for the moon and beyond – even if you miss, you'll land among the stars! Trust in God to watch over you and hold true to your values. We will always be there on the sideline to cheer you on. You can count on us for support and love, and the road to home is always open. Congratulations and wishing you the brightest and happiest future!!!

Your loving family,
Mah Mah, Mom, Dad, Goo, Beverlee & Ashlee
